BOUTIQUE
TOWER

LIVE IN THE FASHION WORLD OF KARL LAGERFELD

To enter the lobby of The Estates at Acqualina is to experience a tour de force of contemporary design. Drawing from diverse artistic and historic disciplines, master designer Karl Lagerfeld designed his only residential project in the continental U.S. especially for The Estates at Acqualina. The result is a memorable expression of legacy architectural style, found only here.

AMALFI & RAVELLO RESIDENCES: OPEN FLOORPLANS ARE JUST THE BEGINNING

With a living space 57 foot long including a marble kitchen that is a true work of art –
THE BOUTIQUE TOWER features two residences per floor and offers
both glamour and convenience for the world's most discriminating buyers.

WELCOME TO OUR 45,000 SQUARE FOOT AMENITY VILLA

Villa Acqualina is a family-friendly celebration of today's lifestyle, with innovatively designed venues for entertainment, exercise, sporting activities, movie-going, spa services, clubbing and dining... and then some.

The classically inspired five-story structure provides a go-to environment where neighbors get to know each other and a genuine sense of community is fostered and enjoyed.

WELCOME TO OUR GARDEN OF SEASIDE DELIGHTS

The oceanfront gardens at The Estates at Acqualina were inspired by the great Italian and French villas and their gardens along the Mediterranean Sea.

Here, you'll find a modern fusion of recreation and relaxation – everything from a FlowRider® to soccer and basketball courts to several pools – and even meditation zones in which to recharge.

RESORT IN THE CONTINENTAL U.S. BY TRIPADVISOR

A PRIME LOCATION WITH
EASY ACCESS
TO EVERYTHING THAT MATTERS

The Estates at Acqualina is all about having your place in the sun,
and being close to the best that Greater Miami has to offer.

Sunny Isles Beach, in particular, has become the new epicenter
of tropical-urban luxury in South Florida, attracting a diverse mix of
residents from the corporate, educational, medical, sports and
cultural arenas, along with international visitors from around the globe.

Convenient access to major transportation hubs, including four
private jet airports and two international airports, easily connects
residents to the city...and to the world.

THE TRUMP GROUP

The developer of The Estates at Acqualina began creating luxury real estate properties in 1980 with the highly influential Williams Island – a Mediterranean-themed amenity-rich community that re-wrote the book on upscale residential development in South Florida. Subsequent successful projects by the Trump Group have been completed in Boca Raton, South Beach and Sunny Isles Beach, where the Acqualina brand continues to garner industry accolades and set sales records.
